Chères lectrices, Chers lecteurs du Canada

Les activités annoncées sont une fois de plus la preuve que les clubs suisses sont très actifs. Pour qu'une manifestation soit une réussite, il faut des bénévoles, c'est pourquoi j'aimerais remercier toute les personnes qui œuvrent de près ou de loin au succès de ces événements.

Dear Readers in Canada

The announced activities show again that the Swiss clubs are very active. But for the success of an event, we need volunteers, therefore, I would like to thank all those who work to the success of these events.

Our Annual General meeting was held at the Vieux Kitzbuehel Restaurant on Ile Perrot, and once again we enjoyed a delicious meal along with excellent service.

Up coming events include our winter fun weekend at Domaine Saint-Bernard near Mont-Tremblant and a spring Bummel followed by a nice lunch at Auberge Val Carroll in the Laurentians.

We are pleased that after almost 60 years, we are still welcoming new and younger members.

Ottawa Valley Swiss Club

Our AGM was held last February 11th. After dinner, the Ambassador of Switzerland, Mr. Werner Baumann, reviewed the relations between Switzerland and Canada during 2010, and announced his retirement around mid 2011 after an interesting diplomatic career: we will miss Mr. Baumann!

The membership received various reports, discussed an outline of planned activities for 2011, and re-elected the president and the members of the Board of Directors. Activities are already planned for the next six months.

Keeping up with what has become a spring tradition, on April 2nd we will have another Swiss-German Theatre Night as our friends of the Theatre Section of the Toronto Swiss Club will present another lively comedy; the Theatre Night will be held at Saint Richard Anglican Church Hall, 8 Withrow Avenue.

On April 9th the Montagna Singers will host the Spring Dance at the Ukrainian Hall, 1000 Byron Avenue. A Children Picnic and Treasure Hunt is planned for May.

The Annual Golf Tournament will be held at the Pakenham Highlands Golf Club on June 19th.

We will celebrate on Sunday July 24th, Switzerland's National Day on the grounds of the Billings Estates National Historic Park, 2100 Cabot Street. Parking is available and the venue is located near the Pleasant Park transit station.

Please consult the Club's web site www.ottawavalleysswissclub.ca for details on these forthcoming events.

Swiss Club Thames Valley

The North American Swiss Singing Alliance (NASSA), representing approximately 300 singers in mixed, men's, women's and yodel choirs, currently consists of fifteen Swiss choral groups from the Upper US Midwest and Canada.

The Swiss Choir Thames Valley, based in Monkton, just north of Stratford, Ontario was chosen by the delegates to host the 40th edition of NASSA Saengerfest or Swiss Singing Festival in summer 2012. To meet this mandate, we selected the twin cities of Kitchener-Waterloo, Ontario as the venue for the three-day event. A singing competition will be held on Friday, June 29th, and "Sounds of Switzerland", a Grand Concert combining all the choirs on Saturday, June 30th 2012. These events will be at Kitchener's Centre in the Square, a venue that has received wide acclaim for its excellent acoustics.

This will be a wonderful opportunity to enjoy Swiss music and traditions. We would like to invite everyone with or without ties to Switzerland to come and enjoy the concert and/or the prize singing.

Please visit our website: www.saengerfest2012.ca for more information and news updates.

Swiss Men's Choir Edmonton

We haven't had as much snow as found in a typical alpine village. It only feels like it as I tackle the snow drifts with my snow blower.

Relief comes when the ESMC practices for a very busy spring season. We just finished three performances at the Arden Theatre in St Albert (one of Edmonton's satellite communities). This was in honour of celebrating the community's founders.

Our next "gig" was for Oxford Properties. They were honouring guests with a Swiss theme night.

March 13th sees us performing a joint concert with Edmonton's Mill Creek Colliery Band. Those from outside Edmonton are usually not aware that our river valley is dotted with old coal mines - thus the band's name. We look forward to pairing some of our songs with their brass instruments.

Our spring concert will be held the 6th of May at St. Basil's Cultural Center. Our previous concerts there have been very successful. It will also be a good time to premier some tunes we have been preparing for the 27th Pacific Coast Swiss Singing & Yodeling Festival of the United Swiss Singing Societies of the Pacific Coast (USSSPC) www.saengerfest2011.info in Vancouver. That event is one that we look forward to. It is non-competitive but we prepare as if it is a competition.

As with all choirs of ex-pats, an aging membership is a problem. We have a few younger members. The problem as I, a non-Swiss sees it is that our new members come mainly from backgrounds other than Swiss. It won't take that long for us to make up a majority of the membership.

If you readers know of any Swiss gentlemen who like to sing, send them along. You will have heard that our learning curve is steep. Our conductor has demanding standards. Much will be asked of you. All that is true. It is also true that the rewards are great. You will be well received. The music will attract and hold you.

Our theme song is "Kamerade" and it captures the spirit of the choir. Look us up. Our web site is www.esmc.ab.ca

You can also contact our president Hans Voegeli at president@esmc.ab.ca or call him at 780 464 1266. We would really like to have you join us.

For more information and/or to join our choir check our website : <http://www.esmc.ab.ca>

Central Alberta Wildrose Yodel Club

The Wildrose Yodel Club was formed in 1997 by ten immigrants from Switzerland with a passion to sing and yodel. By now the club has grown to fifteen male members from all walks of life and professions. The group meets Thursday nights at Lacombe, Alberta.

Performances have taken place in Edmonton, Red Deer and Calgary. There have been numerous charity events in seniors lodges, churches, etc. across Central Alberta and a short stint on Country Music Television (CMT).

We host an annual Spring Fest in Rimbey, AB and a Harvest Concert in Innisfail AB as well.

In October 2002 some friends and fans joined us on a four day Concert Tour through the beautiful Okanagan Valley in British Columbia. We performed in several different venues at the Wine Festival. At the singing competition of the Saengerfest 2003 in New Glarus, Wisconsin, we earned a gold medal with the song «Mejezyt» (Comp. Max Huggler).

We can always use more male voices in all levels of our choir. We usually practice Thursday nights from September until May at the United Church in Lacombe, AB. Please visit us on-line:

Swiss Society of Vancouver

As many of you know, we will have our great Swiss Singing and Yodeling Festival in June of this year right here in Vancouver BC.

Website: www.Saengerfest2011.info

It is an event, in which we would like to present our Swiss Culture to everyone.

Preparations are already underway in many different ways, done by many kind volunteers. But we are in need of many more volunteers, especially for two particular days.

We are in need of helpers on Thursday June 23, 2011 for setting up Flags, Balloons, Ribbons, Swiss pictures, etc. in two rooms at UBC. We can only start setting up anything at 7am on Thursday morning, since the premises are not available before that time. There is quite a bit of work involved.

We also need again volunteers on Sunday June 26, 2011 starting at approximately 3pm to take the decorations down.

Volunteers are also needed during the entire festival to collect tickets, direct people and many other functions.

Any help is very much appreciated. Please, let us know per email as soon as possible, if you are able to help and what you would like to do. Time is flying by very fast.

For more information please contact:

Hommage aux octogénaires, ceux qui sont arrivés dans les années 50

En ce temps là, nous étions qualifiés non pas de pionniers, mais d'aventuriers !

C'était l'époque, où l'on arrivait par bateau, les avions à hélices étaient à leur début du commercial.

Rencontrer un compatriote...était tout un événement ! Il y avait des horlogers, de gens de l'Hôtellerie, pendant plusieurs décades le Chef du Château Frontenac était traditionnellement suisse, des artisans, mécaniciens, mais tout de même peu nombreux.

La 20, Trans-Canada, Montréal -Québec, était en bitume que d'un seul côté...l'autre en terre et gravier.

Lorsque nous achetions une voiture, c'était des paquebots Hudson, Parker etc...qui avalaient des quantités appréciables de gazoline, mais cette dernière coûtait 23 cent le gallon ! À moins de 40 Km de la ville de Québec, il y avait des lieux sans électricité !

C'est aussi à ce moment que des groupements, sociétés suisses se sont créés, et combien importante. Le Consulat c'était une sorte de Famille, qui nous communiquait au moins 3 semaines avant le 1er août, copie postale du Président de la Confédération, qui comportait toujours, ces quelques mots.....vous êtes les Ambassadeurs de la Suisse.....et oui nous avions du gallon à cette époque.

C'est aussi le temps, où nous nous marions, où l'on devient parrain, marraine inter-famille.

Ah ! c'est toute une époque.....nous nous soutenions les uns les autres. Donc, les sociétés se créent et nous regroupent. Elles sont fortes, car chacune a aussi une mission.

Aujourd'hui tout a changé.....pour le bien pour le pire. Ces mêmes sociétés sont plus difficile à vivre, c'est presque normal. Mais la Patrie est encore là...

Des publications comme OSE, Revue Suisse (Schweizer) une autre Horizon en sont la preuve....et combien nécessaire !

Il est bien court le temps des cerises.....
