### **SwissCommunity team comment on our survey**

We sincerely thank you for all your interesting inputs to this survey. We shall go through them all carefully and put as many as possible into practice. Our status as a non-profit organisation with limited budget unfortunately prevents us from adopting all your ideas, or ours either, so we are forced to set priorities.

However, please be assured that we take all your wishes seriously.

Best wishes to you all, and go on having fun with SwissCommunity.org!
