

Webinar: Returning to Switzerland as a Binational Family

Tuesday, 16 June 2026

Are you a Swiss citizen living abroad and regularly travelling from a third country to the Schengen area? Are you wondering how the new ETIAS system may affect your future travels? Would you like to spend an extended period in Switzerland as a binational family, or are you even considering returning to Switzerland permanently?

The Consular Directorate of the FDFA, the Organisation of the Swiss Abroad (OSA), SwissCommunity and Soliswiss – Cooperative of the Swiss Abroad – are pleased to invite you to their next joint webinar.

What can you expect?

The webinar will provide practical information on the following topics related to returning to Switzerland:

- What is ETIAS and who does it apply to?
- What should Swiss dual nationals and their family members living in a non-Schengen country be particularly aware of?
- Which practical aspects should be considered when returning to Switzerland (health insurance, old-age and survivors' insurance (AHV/AVS), taxes and duties, and military service)?

Speakers:

Experts from the FDFA, OSA, Soliswiss and the State Secretariat for Migration (SEM).

No time? No problem!

The webinar will be recorded and will be available the following week on the websites of [SwissCommunity](https://www.swisscommunity.ch) and [Soliswiss](https://www.soliswiss.ch).
