

Webinar: Swiss pension provision abroad

Tuesday, 15 September 2026

Do you live and work abroad, or are you planning to emigrate? Are you wondering what you need to consider regarding your pension provision?

We warmly invite you to the next joint webinar organised by the Consular Directorate of the FDFA, the Organisation of the Swiss Abroad (OSA), SwissCommunity and Soliswiss – the cooperative for Swiss citizens abroad.

What can you expect?

Good pension planning is essential for enjoying retirement. When can you continue contributing to the Swiss pension scheme? What are the rules for voluntary AHV contributions? What other solutions are available? How do you claim a pension or lump-sum payment from abroad? What else should you keep in mind? You will find answers in this webinar and we will provide you with a concise overview of the options available to help or adapt your pension provision, despite – or perhaps precisely because of – your residence abroad.

Speakers:

Specialists from the FDFA, SwissCommunity and Soliswiss will be joined by experts from the Swiss Compensation Office (voluntary AHV) and representatives from Swiss banks, who will share their expertise and answer your questions.

No time? No problem!

The webinar will be recorded and will be made available the following week on swisscommunity.org and soliswiss.ch. When later viewing the recorded webinar, automatically translated English subtitles can be enabled.
