CSA. Spring Meeting Report, Berne, 16/3/2013

Congress of the Swiss Abroad, Davos August 16 – 18, 2013. The theme of this year's Congress will be "Switzerland in time of Globalisation". Discussion will centre around the strategy Switzerland should adopt for its future, being a non-EU member and having scarce natural resources. Also considered is the new situation as to the "Finance Place Switzerland" created by the abuses of some banks. Participants in the Congress are able to express their views in various workshops.

Centenary: Mr Rudolf Wyder, the CEO of the Secretariat of the Swiss Abroad in Bern is planning special events for the 100th Anniversary of the OSA in 2016. The Swiss Abroad will be contacted in order to participate in the planning and realisation of this important event.

Law Swiss Abroad: Mr Filippo Lombardi informed about the status of the new law for the Swiss Abroad, which is being discussed at the parliamentary level. The new article in the Constitution will regulate in a more coherent form, relationships between the Swiss Abroad and Federal and Cantonal institutions. Switzerland should have a coherent policy regarding the Swiss Abroad which should clearly mention the rights and obligations of the various authorities involved.

E-voting for everyone: the Swiss Abroad have lodged a petition to the Federal Authorities to have e-voting for all Swiss Abroad by 2015.

Banks/Taxation: The Swiss Abroad were informed by the relevant Federal Authority about current negotiations of Switzerland with some third party countries as to Double Taxation Agreements. It was mentioned on various occasions that the finance place of Switzerland has been severely tarnished by activities of some banks, and pressure has been put on the Federal Authorities to make sure that the Swiss Abroad can have adequate banking facilities in Switzerland. It was reported that some Swiss banks have cancelled bank accounts of some Swiss living abroad or are charging excessive fees to keep accounts. We will keep you informed about the progress on this topic!

Embassy. What Can Swiss Honorary Consuls Do ?

Can honorary consuls issue passports or visas?

Can they marry a couple? Can they authenticate a document?

Swiss honorary consuls are often confronted with such requests, as revealed during a Regional Consular Conference, held in Sydney on March 15 and 16, 2013.

Switzerland became a member of the Schengen Agreement in 2008. The Schengen Agreement changed the role of honorary consuls considerably. Under the agreement, for example, honorary consuls are no longer authorized to grant visas.

Honorary consuls are the local representative of the ambassador or consul general. They act as the eyes and ears of the ambassador or consul general. This includes representing the ambassador or consul general at national holiday celebrations or other official events.

The honorary consuls maintain and expand a network of local contacts in local government, as well as in business, scientific and cultural circles. They report to the Embassy or Consulate General whenever an opportunity for Swiss interests arises and provide general information on Switzerland.

The honorary consuls further promote a spirit of solidarity within the Swiss expatriate community and strengthen its ties with Switzerland. They keep an eye out for destitute or helpless Swiss and let them know that help can generally be made available. The Swiss Clubs interact directly with the Embassy and the Consulate General. The Honorary Consuls are therefore not their first point of contact. But Swiss Clubs are an important part of the network of the Honorary Consuls.

The honorary consuls, after consultation with the Embassy or the Consulate General, assist the Swiss in need, both those living abroad as well as tourists, be it because of an accident, sickness, theft or imprisonment, etc. They inform the Embassy or Consulate General of any circumstances that potentially affect the Swiss. They also report on any event that could be of importance with regard to travel advice published by the Federal Department of Foreign Affairs.

The only administrative duty of an honorary consul remains the confirmation of the proof of life for the AHV/IV. For all other consular and administrative services, Swiss citizens need to contact the Embassy or Consulate General.

We thank our honorary consuls for their outstanding work.

The Matterhorn Choir is on the move; our choir practices are now at a new location: St. James Uniting Church (Wattle Park), 1201 Riversdale Road, Box Hill South, still on Wednesdays 8.00 pm. We are hoping that this more central location will make it easier for new singers/yodellers to join us for practice!

In the spirit of renewal we have also decided to move the Swiss National Day Picnic closer to the city. It will be held on Sunday 4th August at the Austrian Club, 90 Sheehan Road, Heidelberg West (where the Swiss Festival was held for the last few years). Dear friends

The committee of the Swiss Club of WA is very pleased to announce that our inaugural Swiss Weekend in the City in mid April was a great success. On Saturday, over 100 people enjoyed a beautiful dinner and the outstanding entertainment by the Swiss Yodellers and Alphorn Players. On Sunday, about 80 people came along to the BBQ with Bratwurst and Cervelat and a sumptuous salad buffet - the Swiss Alphorn players treated everyone to familiar sounds. A big thank-you goes to everyone that helped to get the event off the ground, including contributions from Kalao World Cuisine, Antoine's Prime Meats, Chez Jean-Claude Patisserie, Geobrug Australia and the Honorary Consulate of Switzerland in Perth.

Please check our website for fondue bookings and for this years' 1st of August celebrations; information will be released a bit closer to the event.

Dear members and friends,

This year the Fondue night was held a bit earlier than other years, so as you read this item, most of us are still digesting the delicious meal. On behalf of the committee I wish to thank our sponsors who donated the many great prizes for the tombola.

After nineteen years of tireless contribution to the Canberra Swiss Club, we are sad to see Hans and Alice Brüngger leave Canberra. They return to Melbourne to be closer to their family. On behalf of the Committee and all the

members I wish to thank them for all they have done for the club and wish them well in their retirement. We hope to see them back from time to time. Canberra's loss is Melbourne's gain.

In early April we had our yearly bushwalk. Heading into the hinterland of Queanbeyan, we enjoyed a day of splendid weather walking to the London bridge at the upper end of Googong dam. Spending a great day outdoors, finishing up with the traditional BBQ rounded off another social occasion. - Getting together and enjoying each other's company, isn't that what our club is all about?

The Club held its Annual General Meeting on 15th March 2013 at the Te-wantyn RSL Club. The current members were re-elected and 2 new committee members were nominated and elected. The Committee then met subsequent to the AGM at which events and functions for this year were discussed. In

addition to the 1st August function and the Christmas dinner the Club is planning to hold a fondue night. Dates and details will be posted on the Club's website.

Our regular monthly "Ladies Lunch" on the first Friday of every month continues to be popular, with the ladies meeting at a different venue on the Sunshine Coast every month to catch up and have a chat. Details are placed on our website and sent out via direct email.

The men do not want to miss out and have their own "Gentlemen's Lunch" on the same day as the Ladies, but at a different restaurant and is organized by Franz Kaech.

We invite all Swiss on the Sunshine Coast, their families and friends to join us for these fun events, to enjoy good company, keep in touch with old mates and make new friends!

Please ring Hanni (phone number above) if you like to have a chat and find out more, we are happy to help. We also welcome your enquiries and suggestions via email to scsc@swiss.org.au, you will get a prompt response.
