

# REGIONAL NEWS CANADA

## Editorial

Dear Readers and Friends across Canada and around the World:  
It is with delight that I've come to realize that our news not only inform and entertain, but also connect people across the world! We

are evidently read far beyond Canada and Switzerland as I have learned from recent reader feedback. It is also a pleasure for me to work together with you all—members of Swiss Societies, Official Representations and other individuals and organizations in the production of our Regional News!

Making this an informative cross-section of Swiss news in our beautiful adopted home land Canada, I realize how much diversity, creativity and skill we continue to contribute as expatriate Swiss. As Canadian Minister of Foreign Affairs John Baird points out in the foreword to the book «Swiss Immigration to Canada» by Ilona Shulman Spaar, «...the Swiss influence in Canada has lent significantly to our prosperity and growth and it is abundantly evident that it will continue to do so».

Writing this editorial from Bern, where I'm attending the spring session of the Council of the Organization of the Swiss Abroad (OSA), renewal and regrowth are in the air. Evident in the balmy days and lush spring colors as seen from the terrace of the Bundeshaus overlooking the traditional 17<sup>th</sup> & 18<sup>th</sup> century buildings on the bank of the beautiful, tranquil flowing river Aare; but also in the agenda of the Organisation of the Swiss Abroad's current business and future planning. As the session is still ongoing at the time of writing, a more detailed report of the OSA conference will be forthcoming in the next issue.

## Exciting New Events

In Canada, many new and exciting Swiss and Swiss-related events are being planned and prepared for as you are reading this. The beautiful mountain town of Golden is in full gear organizing its first annual BC Mountain Festival which takes place May 18<sup>th</sup> & 19<sup>th</sup>. Dedicated to the celebration of the rich history and pioneering efforts

Edelweiss Village then and now—Feuz family ca. 1914

of the Swiss Mountain Guides in the Rockies, and honoring their outstanding contributions to the exploration and development of the mountain culture, the festival features interactive talks and presentations, authentic Swiss food and entertainment, and guided tours through Edelweiss village built in 1912 by CP rail for the Swiss Guides and their families.

An interesting and fun Victoria Day long-weekend event for which you find Tourism Golden's schedule on page 2.

Many Swiss organization celebrate an anniversary this year and are thus planning special events. If you're travelling across Canada, why not tweak your schedule a bit and participate? You would be heartily welcomed! For example at the largest Swiss National Day celebration outside Switzerland in Mount Sutton, Québec. The two-day celebration starts August 1<sup>st</sup> in the afternoon, and The Federation of Swiss Societies of Eastern Canada has listed a pre-announcement on page 6. Or see the article on page 2 which contains a detailed program outline for this year's Singing & Yodeling Festival July 10-13<sup>th</sup> in Tacoma, Wa., (USA) where many choirs and musicians from the Pacific Northwest are coming together for this wonderful yearly festival of traditional Swiss folk music.

I wish you a lovely spring and am looking forward to continually receiving your news, your comments and suggestions.

# Golden, BC Mountain Festival

## Celebrating Golden's Swiss Guides

Sitting at the confluence of the Columbia and Kicking Horse rivers, and surrounded by the Canadian Rockies, Selkirk and Purcell Mountain Ranges, Golden BC is well known as a paradise for outdoor adventure activities. Here you will find an historic town, lived in and loved by a community who are proud of their heritage of intrepid exploration and mountain tourism which has defined the area over the centuries and which still plays an important part in everyday life and culture of the town today.

On May 18th & 19th, Golden BC is holding the first of what will be an annual event to celebrate not only its history, but the many facets that define Golden as a real mountain town today. The festival will have a different theme each year, including the characters, activities, music, images and culture that define Golden as a pure and unrefined mountain town, and aims to engage and encourage visitors to

keep coming back year after year. Golden is the home of the Swiss Guides. In 1899 the C.P. Rail realised that the completion of the railway through the Kicking Horse Pass and Rogers Pass would enable tourists to enjoy the wonderful mountain scenery and activities. They brought the first generation of Swiss Mountain Guides to safely guide tourists in the mountains surrounding Golden, and so began the first steps of mountain tourism and the connection between Swiss-Canadian mountain cultures which still exist today. The influence of those guides is evident today in the creation of the Canadian Mountain Guide Association, the birth of heli-skiing and the numerous peaks named after the Swiss guides who made the first ascents, as well as the many residents of Golden who bear the names of their ancestors.

The Edelweiss Village, built in Golden in 1912 by the CPR for the families of the Swiss Guides still exists today, owned by the descendants of Walter Feuz

www.swiss-sangerfest-tacoma-2014.org Tel.: 253-678-4924

We would like to share with you an exciting opportunity to be part of the 28<sup>th</sup> Pacific Coast Swiss Singing & Yodeling Festival of the USSSPC. Some of you may have still good memories of the last Sangerfest in 2011 at UBC in Vancouver. The nine members of the United Swiss Singing Societies of the Pacific Coast, which includes the Vancouver Swiss Choir, are excited to present this four day

event, **July 10-13, 2014**, hosted by the Mannerchor Edelweiss of the Swiss Sportmen's Club of Tacoma, Wa. In addition to the nine USSSPC choirs, four guest groups are participating: The Edmonton Swiss Men's Choir and Wildrose Yodel Club from Alberta, Canada, will be part of the Grand Concert Chorus and also perform independently. Two groups from Switzerland—the Quartet Family Weingart, [www.jodler-egge.ch](http://www.jodler-egge.ch), and Chorli, [www.choer.li](http://www.choer.li)—are on tap to provide entertainment several times.

This triennial international Sangerfest features singing and yodeling, dancing and alphorns, and is highlighted on Saturday evening by the **Grand Concert of over 250 voices** with each singer in traditional Swiss costume. The 4-star Hotel Murano will be the host hotel and you can book directly via [www.hotelmuranotacoma.com](http://www.hotelmuranotacoma.com). ## Calgary Swiss Cultural Group

There have been many exciting developments at the Swiss Cultural Society of Calgary. This also includes our annual celebrations that are growing in interest along with the activities within them. Last year's August 1<sup>st</sup> celebration featured a fun Swiss Trivia Game, so who knows what this year's events might hold.

There are many reasons why the Swiss come to settle in the Calgary area. One very good reason might be the close proximity to the familiar backdrop of the mountains. So, to satisfy the mountaineer in many of us, we are hosting group hikes, catered to both young and old, right here within the Foothills and the Canadian Rockies. And there is definitely something enchanting about "breaking bread" together over a nice lunch on the side of a trail or overlooking a breathtaking scenery!

Another exciting point of interest for the Swiss Cultural

Society of Calgary is the implementation of the Youth Leadership Program. Designed to create a place where both children and young adults from 12 to 20 years of age can come together to learn and grow within their own leadership, along with discovering skills or interests that they may not have even know they had. We all have within us a desire to help or make a difference in our world, however small or great we want this to be for us. Within this environment, tools and initiatives are provided to offer the skills to succeed, not just today, but later in life, too. Our first mission will be to participate in Calgary's annual Pathway and River Clean-up on Sunday May 4<sup>th</sup> where our Society is registered as a group and where we can come together to help make Calgary a cleaner city, promote environmental stewardship, and create awareness to our Swiss Culture within the highly eclectic Calgary community.

Friends, family, and neighbors are always welcome to take part in the many festivities enjoyed within our community. So please consult our Calendar of Events featured on our website at [www.SwissClubsCalgary.com](http://www.SwissClubsCalgary.com).

## Saskatoon Swiss Club Saskatoon

We held our annual Raclette lunch on Sunday, March 2<sup>nd</sup> at the home of Annemarie and Heinz Buchmann-Gerberin Saskatoon. Despite the cold weather, 22 hungry attendees came, and ate, and were happy. Donated desserts were enjoyed by everyone. After lunch, some of us practiced our Jass game in anticipation of our next event, the Jass Tournament. The Jass Tournament will be held on **Sunday, April 27<sup>th</sup>** at noon at the home of Rosa and Georg Nievergelt, in Warman. Warman is a rapidly growing town just north of Saskatoon, about a 20 minute drive.

Our summer events are being planned, and we will have our **June picnic/BBQ** at the home of Sarah Huizing, daughter of Lydia and Hannes Eymann. Sarah lives on a dairy farm north of Osler, SK, and we are still planning the date for a Sunday in June. Our 1<sup>st</sup> of August party has been set for **Saturday, August 2<sup>nd</sup>** at the park in Warman. More information about these two events will be coming out in our spring newsletter, which will be available in May. You can also contact the club at [swissclubsaskatoon@hotmail.com](mailto:swissclubsaskatoon@hotmail.com).

We would like to congratulate the following members on reaching milestone birthdays: **Bruno Koch**, January 6<sup>th</sup>, 70 years of age; **Rosemarie Elinger**, April 22<sup>nd</sup>, 80 years of age, and **Emil Eigenmann**, May 5<sup>th</sup>, 60 years of age. Many happy returns!

### Federation of Swiss Societies of Eastern Canada

Dear readers, The Federation of Swiss Societies of Eastern Canada invites you to our 2014 Swiss National Day Celebration, Saturday August 2<sup>nd</sup>, under the banner of the canton of Wallis, at Mount Sutton, QC. The festivities start already on Friday afternoon, August 1<sup>st</sup> in the village of Sutton with folklore presentations. The main event will take place on Saturday at the foot of Mount Sutton, rain or shine.

Each year we depend on over one hundred volunteers to help us organize the Swiss National Celebration, the world's largest outside of its native country. Please sign up as a volunteer with your club or by writing to [info@fedesuisse.com](mailto:info@fedesuisse.com). For more news and information, please log on to: [www.fedesuisse.com](http://www.fedesuisse.com). We hope to meet you all in Sutton! Your 2014 committee.

Weekend at Mont-Tremblant. This year, the weather was absolutely perfect, and those present enjoyed

walking in the woods, snowshoeing, cross-country and downhill skiing. Some even enjoyed the sunshine up on the roof terrace! On Saturday evening, after the traditional fondue supper, Henry Oppliger brought out his ac-

cordion; the club provided the songbooks, and so we had a fun evening of singing, dancing and joke telling.

Plans are under way for a June outing which will include a walk at Cooper Marsh in Lancaster, ON, followed by a visit to a large dairy farm in nearby Bainsville. As this event was very popular once before, we expect to have another good turnout this time. We hold five or six events outings each year, and we are pleased to say these are always well-attended. We continue to welcome new members to our club as well.

The 2014 Bazaar will be held on **November 15<sup>th</sup>** at the Haus der Heimat in Dorval.

During our March meeting, we allocated \$7,000 as donations to local charities which we support on a yearly basis. These monies are a direct result of the Bazaar. We thank all our supporters and volunteers for the success of the 2013 Bazaar; it wouldn't happen without you! A special thanks to all the knitters, bakers and cooks. We always welcome new members. Come see us at the Haus der Heimat, 375 Louise-Lamy, Dorval, at one of our meetings, or write to us.

Durant l'AGM du 14 janvier dernier, malgré l'absence de nouvelle présidente, nos membres ont opté pour la continuation du club sans présidente. Nous avons également révisé notre liste annuelle de réunions. En 2014, nous nous réunirons **le 11 mars, 10 juin, 9 septembre et 14 octobre**, en plus de nos sorties de printemps et d'automne. Le Bazar 2014 aura lieu **le 15 novembre** au Haus der Heimat à Dorval.

Lors de notre réunion de mars, nous avons alloué \$7 000 en dons à des œuvres caritatives régionales que nous appuyons sur une base annuelle. Cette somme provient directement des recettes du Bazar. Nous tenons à remercier tous nos commanditaires et bénévoles. Sans vous, il n'y aurait pas de Bazar! Un merci tout spécial aux tricoteuses, pâtissières et cuisinières.

Les nouvelles venues sont toujours les bienvenues. Venez nous rencontrer au Haus der Heimat, 375 Louise-Lamy, Dorval à l'occasion d'une de nos réunions ou écrivez-nous.

En 2001, la famille de Bernadette Bender, son fils Sébastien et sa fille Nadine tous deux dans la vingtaine-Roduit, ont émigré avec leurs amis à quatre pattes, trois chiens et un chat, de la Suisse au Canada. Qu'est-ce qui les a poussés à quitter leur climat tempéré du pittoresque village valaisan de Saillon (2500 habit.) pour entamer une nouvelle vie dans le village québécois de Tadoussac (813 habit.) sis au confluent des rivières St-Laurent et du Saguenay? Bernadette rit en se souvenant: «Nous voulions explorer un nouveau mode de vie dans un autre pays et nous avons hésité entre le Canada et l'Australie en raison de ses grands espaces.»

Mais le Canada est devenu rapidement le pays de leur choix. Comme l'explique Nadia: «Nous avons trouvé une publicité sur Internet pour la vente d'un domaine de 69 arpents avec dix chalets. Le Domaine des Dunes. Il a aiguisé notre intérêt et après une correspondance par mail avec les propriétaires, nous avons décidé de visiter en janvier 2001 la propriété. «Malgré l'abondance de neige, des températures de -35 degrés et les chalets tous fermés pour la saison, les trois Bender sont tombés en pâmoison devant le charme de la région de Tadoussac, sise dans la partie continentale de la Nouvelle-France du 17e siècle. En charriant, Sébastien a lancé: «Nous avons trouvé la région et l'endroit si magnifiques en hiver qu'elle doit être encore plus étonnante en été!» Les Bender ont été immédiatement charmés par la

beauté des Glaces dans la baie; le fjord du Saguenay, le fleuve St-Laurent, et la neige immaculée. «Et nous ne pouvions imaginer plus belles les dunes de sable fin sous la neige dont nous avons entendu parler!» ajoute Sébastien. La décision a été prise et Sébastien revint bientôt pour acquérir les ficelles du métier et écouter les conseils des précédents propriétaires. Cette prise en charge fut bénéfique pour les Bender qui se sont familiarisés dans l'art de l'hospitalité. Un défi et une belle expérience!

Le 11 septembre 2001, alors qu'ils étaient conduits à l'aéroport de Kloten, ils ont entendu parler à la radio des événements tragiques des tours jumelles à New York. À Zurich, tous les vols étaient annulés. Il n'y avait rien d'autre à faire que de s'inscrire sur une liste d'attente et de retourner à la maison à Saillon et attendre la suite des nouvelles. Après quelques semaines, la compagnie aérienne a appelé et, une fois de plus, toute la famille et les animaux se sont rendus à l'aéroport, avec arrivée à bon port à Montréal le 1<sup>er</sup> octobre 2001. Une date historique et une chance pour eux car Swissair cessait toute activité sur cette ligne aérienne le lendemain! Les Bender se mirent au travail et n'ont jamais reculé. En 2005, ils avaient aménagé une dizaine de sites avec service complet et plus de 40 places de tentes, au cœur de leur forêt boréale bordant les rives du Saint-Laurent. Quelques années plus tard, deux chalets de luxe ont été ajoutés avec bain tourbillon et vue sur le fleuve. Vers l'été, un parcours finlandais de

Les visiteurs et les invités peuvent profiter du confort de la place, du service personnalisé et chaleureux imprégné du respect des Bender pour la préservation de cet environnement naturel. Avec plus de 400 ans, Tadoussac est la plus ancienne colonie européenne continuellement habitée au Canada, et le plus ancien village français des Amériques. L'eau fraîche de la rivière Saguenay et l'eau chaude salée du Saint-Laurent se rencontrent ici pour créer un environnement marin riche, conférant un endroit idéal et attrayant pour les baleines. Ouvert toute l'année, le Domaine des Dunes est d'un attrait in-

déniable pour le village. Les visiteurs ont la chance de côtoyer des animaux sauvages. Des orignaux, chevreuils, écureuils, ours noirs et plus encore.

Quand vous arrivez dans cet endroit, vous serez épatés par les services et activités toutes proches. Vous serez probable-

ment accueillis d'abord par Sugus, le saint-bernard de 8 ans, chien né en Suisse dont la tâche est de garder le domaine. Ce havre de paix enchantera petits et grands qui pourront recharger leurs batteries et profiter d'un sentiment de bien-être en communion avec la nature. Les Bender, leur personnel et Sugus vous attendent.
